

DtS Partnership Structure Chart Accompanying Notes

This third version of the DtS Structure chart is based on existing structure charts for theme boards and discussion with officers. It includes both existing structures and proposed structures; it therefore portrays a snapshot of the existing Local Strategic Partnership structure according to the best information available at the time. Some elements of the structure chart require clarification.

Stronger & Sustainable Doncaster Structure

- This is a new theme board and the structure is correct as at 01/02/10

Safer Doncaster Structure

- Includes proposal that the Substance Misuse Theme Group is split into two groups: Alcohol Misuse and Drugs Misuse

Healthier Doncaster Structure

- Board has recently undertaken a small scale review; unclear what effect, if any, on future sub-structure
- Joint Commissioning Forum currently being reviewed
- Need to clarify how Safeguarding Board, Carers Strategy Group and Personalisation boards feed into the structure

Enterprising Doncaster Structure

- Board has been undertaking a structural review
- This sub-structure is being developed based on the economic strategy themes, through rationalisation of existing groups and meetings where appropriate

Doncaster Children's Trust

- Younger Doncaster no longer exists – proposals for development of a new trust currently progressing through Council decision making process.
- Future trust arrangements and sub-structure to be confirmed

LAA National Indicators

- Allocated to boards based on information provided previously by DMBC
